HOUSTON IS GETTING A HOUSE OF BLUES!

THE GRAND OPENING IS OCTOBER 18TH!

New Orleans has had one for years, Dallas has its own location, and finally Houston joins the list of major cities with a House of Blues. For a minute I couldn't quite remember if there was a venue in our area but once I got a grand opening invitation in the mail I had my answer. The Houston location will open its doors October 18th for a special invitation only party. I'm sure it's going to be an event to remember. For those who care, that's 1 day after the Insite's birthday. Gifts are strongly encouraged. But what do you think about the city getting a House of Blues?
