Headline: Pete's Dueling Piano Bar, Texas' Original Rock n' Roll Dueling Piano Bar, announces its first Houston location in the Houston Pavilions.

Houston, TX – **Pete's Dueling Piano Bar** began the dueling sensation in Austin, Texas and is now known as a Texas legend. Since then, owner's Corey Urbach and Greg Sacony ventured to Addison and Fort Worth with yet a second and third success story. **Pete's Dueling Piano Bar, Texas' Original Rock n' Roll Dueling Piano Bar**, announces its first Houston location in Houston Pavilions, a \$170 million mixed-use development in downtown. The 7,000 sq. ft. location will open in the Houston Pavilions with a grand opening in mid-July.

Pete's Dueling Piano Bar is honored to be a part of the four city blocks that are being transformed into downtown Houston's premiere entertainment, retail and urban office hub. Owners Corey Urbach and Greg Sacony said, "Houston was the next logical market for us to tackle. It is the nation's fourth largest city and our new location will sit in the middle of downtown only two blocks from the convention center. What could be better than that?"

The **Best Talent** in the country takes the stage each night on two baby grand pianos, in two-person rotations every hour on the hour. All four players even join together on stage multiple times throughout the evening to bring you songs filled with more instruments and more energy.

Pete's Dueling Piano Bar is a *sing-along, clap-along, drink-along, have-one-helluva-good-time-along* bar! That's what keeps everyone coming back, including the who's who of Houston and beyond. One thing we can promise you is that a visit to Pete's will result in a night of extreme singing, clapping, laughing and fun. If your voice and hands aren't sore the next day, we haven't done our job!
